

Access Hatch

Roofing and Sheetmetal Centre manufactures a range of access hatches and skylight hatches, using Australian Colorbond® and Zinalume® steel.

Skilled tradesmen

Our highly skilled tradesmen have years of experience and will go the extra mile to ensure you get the high quality products our customers expect from us.

Quality guaranteed

Using trusted brands and an experienced team, we stand by the quality of our products. We won't send it to you if we're not happy with it, and we guarantee our work.

Fast and reliable service

We work with you to meet your deadlines, and offer fast delivery of your order to your Melbourne site.

Proudly Australian, proudly Melbourne

Made locally in our fully equipped workshop from 100% Australian steel. When you buy from us you are supporting Australian manufacturing.

Order today

To order an access hatch, or talk to us about a custom design, get in touch.
